Complete Safety Solutions

Saviour 27 Cal Arc Coverall

The Saviour 27 Cal Arc Coverall is a high-performance garment designed to provide exceptional protection against arc flash incidents in demanding work environments. Featuring a single-layer construction, this coverall offers superior safety and comfort for workers facing electrical hazards.

TECHNICAL SPECIFICATIONS

ARC Rating	27 Cal/cm ²
Material	High-quality Inherent flame-resistant fabric
Colour	Royal Blue
Sizes	S, M, L, XL, XXL or Customize size
Closure	Front zipper closure for easy donning and doffing with Velcro flap / closure
Cuffs	Adjustable cuffs with hook and loop closure
Pockets	Multiple pockets for convenient storage

APPLICATIONS

- 1. Electrical maintenance and repair
- 2. Panel installation and servicing
- 3. Utility work
- 4. Industrial electrical operations

RECOMMENDED ACCESSORIES

ARC Shield

Electrical Glove/
Arc Gloves

Di-Electrical
Shoes

KEY HIGHLIGHTS

- 1. Our Arc Flash Protection withstands up to 27 Cal/cm², ensuring safety.
- 2. Full-Body Coverage: Designed as a coverall to offer comprehensive protection for the wearer.
- 3. Utilizing lightweight materials for fatigue-free, mobile comfort during extended wear.
- 4. Enhances airflow with breathable fabrics for wearer comfort in all conditions.
- 5. Crafted with premium materials for durability in demanding work conditions.
- 6. Includes reflective elements for increased visibility in low-light conditions.
- 7. Logo printing and branding options available for bulk orders
