# Saviour Aluminized Silver Visor

The Saviour Aluminized Silver Visor offers exceptional protection against various hazards, including splashes, liquid, radiant heat, and UV radiation. With advanced features such as aluminum reinforcements and professional UV protection, it ensures safety and comfort in demanding environments. The Savior Visor Bracket is designed to provide comprehensive protection by fitting all FC series visors, offering versatility and ease of use. With its compatibility with most safety helmets, users can quickly replace visors as needed, ensuring optimal safety in various work environments.

TECHNICAL SPECIFICATION	
Size	8" x 15 1/2" (20 x 39cm)
Thickness	1.0 mm
Material	Polycarbonate
Colour	Silver
Scale Number for Filters	CE 2C-3 & ANSI R3, U6
Visor Bracket Material	Aluminum
Visor Bracket colour	Black / Silver
Fits regular safety helmets	Compatible with most safety helmets, allowing for versatile usage with different types of safety visors.
Quick Visor Replacement	Classic design allows for easy replacement of visors, enabling users to swap visors within seconds

## CERTIFICATION

Standards: EN 166 & ANSI Z87.1

## APPLICATIONS

- Ideal for industries where protection against splashes, liquid, radiant heat, UV radiation, and IR radiation is essential.
- Suitable for use in environments with high temperatures and potential fire hazards.
- Industrial workplaces
- Construction sites
- Manufacturing facilities
- Laboratories
- Maintenance and repair operation

## ADVANTAGES

1. Best optical quality
2. Impact Resistance
3. Aluminum reinforcements
4. Protection against splashes and liquid
5. Professional UV protection
6. Resistance to ignition
7. Superb IR protection
8. Superb radiant heat resistance
9. Made with high-quality aluminum material for long-lasting use.
