Saviour Reflective Safety Jacket RJ-2

The Saviour RJ2 High-Visibility Reflective Jacket is built for safety and durability in demanding work environments. Crafted from lightweight, breathable royal blue net fabric (120-130 GSM) and featuring high-quality reflective tape, this jacket enhances visibility in low-light and high-risk conditions. Compliant with IS 15809:2017 standards, it's ideal for industries requiring high-visibility gear.

TECHNICAL SPECIFICATION

Fabric	120-130 GSM Royal Blue Net
Reflective Tape	25-wash durable tape (2 vertical + 2 horizontal stripes)
Features	Front zipper closure, reinforced binding, and utility pockets

KEY FEATURES

- **Enhanced Visibility:** Premium retro-reflective tape ensures maximum visibility
- **Comfortable Fit:** Lightweight, breathable mesh fabric for all-day use
- **Long-Lasting:** Colorfast and washable with strong seam binding
- **Custom Options:** Logo branding and text printing available on request

MAINTENANCE INSTRUCTIONS

- Machine wash at temperatures $\leq 30^{\circ}\text{C}$
- Do not iron over reflective tape
- Avoid bleach and fabric softeners
