Saviour Universal Face Shield

The 'Saviour' Universal Face Shield with Clear Visor is designed to provide comprehensive protection for the entire face. It is particularly suitable for mechanical workshops and environments requiring defense against chemical splashes. The face shield comprises a clear acrylic plastic visor with 100% optical clarity, attached to a spring-type bracket. The visor is highly impact-resistant, 1mm thick, and measures 8" x 15" for maximum safety. This versatile arrangement can be easily attached to any helmet, offering enhanced protection in various industries.

TECHNICAL SPECIFICATION

Visor Material	Clear Acrylic Plastic
Visor Thickness	1 mm
Visor Size	8" x 15"
Attachment	Spring-type Bracket

ADVANTAGES

- Provides both head and face protection against chemical splashes, flying objects, and grinding chips when used with a helmet.
- Lightweight with a 1mm thickness of the visor, ensuring high impact resistance.
- Optical clear visor ensures perfect vision during operations.
- Easily attachable to any helmet for convenient use.

APPLICATIONS

- Mechanical Engineering Workshops (Grinding, Chipping, Polishing operations)
- Industries utilizing Shot Blasting, Saw Dust/Sand, and Limestone crushing
- Chemical/Pharmaceutical Industries handling volatile fluids
- Refineries/Fertilizers handling Hot Oil and Volatile Crude
- Wood and Paint Industry

CERTIFICATION

CLI Tested for IS 8521 (Part 1): 1977

RECOMMENDED ACCESSORIES

Saviour Tough Hat Helmet
