# Saviour Electrical Over Gloves

‘Saviour’ Electrical over gloves provides workers with additional protection to their latex Electrical gloves, when worn with the corresponding electrical glove. The over glove provides mechanical protection from cuts and tears and ensuring complete protection. They are made fully from Cow-hide Split Leather. Double stitched for extra robustness they come with a long wrist for extended protection. The cowhide silicone grain leather ensures good flexibility as well as mechanical protection.

## TECHNICAL SPECIFICATION

|                |                 |
|----------------|-----------------|
| Construction   | Cut and sewn    |
| Liner material | Leather         |
